

THE SHELTERS, CLINICS, & CENTERS

Obria Medical Clinics (Formerly Birth Choice) With fully licensed Community Medical Clinics in Mission Viejo, Orange and a mobile clinic, Obria offers life-affirming healthcare especially for women facing unplanned pregnancies. Medical services include pregnancy testing, ultrasounds, STD/HIV testing and treatment for men and women, well-woman care & exams, prenatal care, abortion pill reversals, as well as free resources such as parenting classes. Obria is dedicated to taking care of the whole woman; emotionally, physically and spiritually while also addressing the sexual health of young men. Find out more at www.omcsocal.org.

Mary's Path Located on a picturesque property in central Orange County, Mary's Path provides a comprehensive residential care program for girls under the age of 18 that cherishes, protects, and nurtures the lives of both pregnant teens and teens with their babies. With guidance from professional staff, as well as loving volunteers, the new mothers are supported on their paths towards quality education, increased self-esteem, enhanced mental health, and improved physical health and nutrition for themselves and their babies. Find out more at www.teenshelter.org

Casa Teresa provides pregnant women in crisis a loving home to begin their healing journey. We offer five residential programs that provide shelter, case management, classes, and supportive services for pregnant women and their children. We also offer two targeted residential programs: the Emergency Maternity Shelter (EMS) that address the needs of chronically homeless pregnant women who may struggle with addiction, and Hannah's House for those who wish to relinquish custody of their baby for adoption. With a trusted and compassionate team of professionals and a proven residential program, we empower mothers in learning lifelong skills to end cycles of homelessness, abuse, and addiction; regain control of their futures; and create families that thrive.
